UC DAVIS HEALTH

2023 Points of Distinction

Grounded in equity, we provide unparalleled care across California, transforming lives and communities. Our teams research and develop trailblazing therapies and technologies; educate and prepare a future-ready workforce; and drive excellence into all we do as we create **tomorrow's health care today.**

Our work includes:

- Acting as a crucial specialty and subspecialty care resource for inland Northern California
- Providing the highest-level trauma care for our region
- Advancing diagnosis, treatment and prevention through research
- Protecting our community — and our world — during infectious disease outbreaks and pandemics
- Educating providers and the health care leaders of the future
- Training and supporting rural health providers
- Ensuring safety net support for health care in urban and rural areas

Our academic health system includes:

- UC Davis Medical Center
- UC Davis School of Medicine
- Betty Irene Moore School of Nursing at UC Davis
- UC Davis Children's Hospital
- UC Davis Comprehensive Cancer Center
- UC Davis Health Primary Care
- UC Davis MIND Institute
- UC Davis Rehabilitation Hospital
- Community partnerships with dozens of organizations and health providers across our 33-county Northern California service area, to improve levels of patient care everywhere

High-performing in back surgery (spinal fusion), COPD, colon cancer surgery, diabetes, gastroenterology & GI surgery, heart attack, heart failure, kidney failure, lung cancer surgery, ovarian cancer surgery, pneumonia, prostate cancer surgery, stroke, transcatheter aortic valve replacement (TAVR), and urology

#1

Among the nation's best hospitals for adults and children, one of the top 10 hospitals in California, and #1 in Sacramento

a level IV NICU
(the highest possible rating)

The only level I trauma center for both adult and pediatric emergencies in inland Northern California

Building for the future, in Sacramento and beyond:

- New California Tower, with single rooms and more critical-care adaptability
- New same-day surgery center, to expand capacity
- New Folsom Center for Health, for care closer to home
- UC Davis Rehabilitation Hospital opened in April 2023, to optimize recovery
- Ernest E. Tschannen Eye Institute opened in December 2022, with expanded research and care capabilities

The West Coast's first American College of Surgeons-verified level I Children's Surgery Center

Baby-Friendly USA

A Baby-Friendly Hospital

MAGNET RECOGNIZED
AMERICAN NURSES CREDENTIALING CENTER

The nation's highest recognition for **nursing excellence**

Named one of America's Best Maternity Hospitals for 2022 and 2023 by *Newsweek*, with the top ranking of five ribbons

Hospital and patient statistics

646
Licensed beds

83,285
ER visits

954,238
Clinic/office visits

31,953
Admissions*

For year ending June 30, 2022
*Inpatient admissions; does not include 14,520 observation days

Promoting healthier aging:

- Highest-level Geriatric Emergency Department Accreditation
- Age-Friendly Health System designations for Emergency Department and Healthy Aging Clinic

Philanthropy impact

The Children's Miracle Network raised nearly **$3.6 million** for UC Davis Children's Hospital, making it one of the network's top hospitals

Kristine Albertalli gave **$45,000** to the Child Life Art Therapy Fund, sustaining the program through 2023

Education

Innovative UC Davis interprofessional education gives the health care workforce of tomorrow the skills and values needed to lead change and improve health for all.

Among the nation's best graduate schools

The UC Davis School of Medicine is ranked among the nation's best by *U.S. News & World Report* for 2023–2024, including rankings of #6 for primary care, #3 for diversity, #5 for family medicine, #15 for psychiatry, #22 for public health (tie), and #50 in research (tie).

⊙ Discovery

UC Davis Health research includes clinical, translational and basic-science studies, with an emphasis on collaboration and improving health for people, communities and entire populations.

Confronting major health threats

- One of 50+ U.S. cancer centers designated "comprehensive" by the National Cancer Institute, and part of the University of California's Cancer Consortium, drawing on the entire UC system to advance care

- 30 years of continuous funding for the Alzheimer's Disease Research Center (a congressionally designated NIH Center of Excellence), and members of California's Alzheimer's Disease Task Force

- Home to the School of Nursing's Family Caregiving Institute

- Part of the Nutrition for Precision Health study to customize diet based on individual genetics, gut microbes, and other unique characteristics

- Home to the first state-funded center for firearm violence research

Improving health for all:

- Center for Reducing Health Disparities
- Institute for Regenerative Cures
- MIND Institute
- Center for Precision Medicine

- Center for Professional Practice of Nursing
- Center for Healthcare Policy and Research
- Center for Health and Technology

The Clinical and Translational Science Center helps advance lab findings into treatments, engage communities in research, and educate the next generation of clinicians and scientists

51 *currently active cell and gene therapy clinical trials through the UC Davis Institute for Regenerative Cures and colleagues at UC Davis Health*

Home to the CuRe Trial, the world's first stem cell clinical trial in utero for spina bifida

- National Center for Interventional Biophotonic Technologies is advancing UC Davis-developed imaging tools for real-time surgical guidance

- The Family Caregiving Institute at the Betty Irene Moore School of Nursing is advancing a project to expand and improve California's Caregiver Resource Centers via service evaluation

Research funding

$201 million
in National Institutes of Health funding in 2022

- ranked 32nd in the U.S.
- 9 departments ranked in top 20 nationally
- more than 500 active clinical research studies

$396 million
external research funding in 2022

Philanthropy impact

A **$2 million** gift from anonymous donors established the Fund for Regenerative Ophthalmologic Therapies Research

An anonymous donor gave **$1.5 million** to establish an endowed professorship in neurosurgical research

Community Engagement

UC Davis Health actively engages with the diverse communities it serves in Sacramento, Northern California and beyond.

Expanded virtual care partnerships with more than three-dozen community and regional hospitals increase access to higher levels of care in rural areas

#11 *on Forbes 2022 list of California's best employers*

Improving access to care via technology

- Creating a regional digital public health platform to improve access and continuity of care for vulnerable populations
- World-first digital health equity partnership with Amazon Web Services
- Collaboration with BioIntelliSense to advance remote care through wearable devices

The UC Davis Health Cancer Care Network unites multiple cancer centers to offer patients leading-edge care in their own communities

A unique farm-to-fork food service program prioritizes nutritious local ingredients and sustainability, for individual and community health

Innovative partnerships with more than two-dozen Federally Qualified Health Centers (FQHCs) provide a comprehensive mix of primary care, specialty care and behavioral health to thousands of under-served patients across the region

Recognized as a 2022 Climate Champion by Health Care Without Harm for commitment to reducing carbon footprint

Earned Top 25 Environmental Excellence Awards from Practice Greenhealth in 2022 and 2023
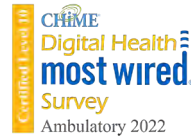

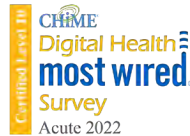

Perennially named a LGBTQ+ Healthcare Equality Leader by the nation's largest LGBTQ+ civil rights organization

One of *Newsweek's* America's Greatest Workplaces for Diversity 2023 and America's Greatest Workplaces for Women 2023

Youth violence intervention and traffic safety education through our Injury and Violence Prevention Program

For 11 consecutive years, a "Most Wired" health system for excellence in using technology to improve care delivery

Philanthropy impact

The Children's Miracle Network Play Yellow Friendship Invitational tournament at Yocha Dehe Golf Club grossed more than **$124,000**

Donut Dash 501(c)3 raised **$65,000** for the UC Davis Child Life and Creative Arts Therapy Department benefitting pediatric patients

A new Nurse-Led Mobile Clinic staffed by School of Nursing faculty and students serves homeless and refugee populations
