GRAND ROUNDS AND COMPARATIVE OPHTHALMOLOGY SERIES

Dear Colleagues,

We are pleased to announce the 2023-2024 UC Davis Eye Center continuing medical education activities.

Each year, our department provides a series of Grand Rounds Comparative Ophthalmology Programs, didactics and our Annual Symposium, designed to provide the community and our region with high-quality continuing medical education in ophthalmology.

For the coming year, we have planned an exciting Grand Rounds Series listed in this brochure. We invite you to join us at the Eye Center for these CME activities in each of the subspecialties of ophthalmology.

The Annual Ophthalmology Symposium, NAPA EYE 2024, will be returning to the Napa Valley Marriott Hotel, May 3-5, 2024. The full program, registration form and hotel information will be posted on the Eye Center's website.

On Saturday, June 22, 2024, the Eye Center will host the Resident, Fellow and Alumni Research Day. This one-day educational program will include resident and fellow research presentations and will feature the Alumnus of the Year Lecture and the Byron Demorest Lecture.

We hope you will take advantage of these excellent educational opportunities.

Sincerely,

Mark J. Mannis, M.D.
Natalie Fosse Endowed Chair
