NEEDS ASSESSMENT

Lectures on a variety of topics encompassing the different ophthalmology subspecialties will be given by experts in the field. The lectures will cover the latest advances from the cornea to retina and neuro-ophthalmology including medical and surgical therapy for corneal diseases, uveitis, glaucoma, cataracts, retinal degenerative disorders, and common neuro-ophthalmologic diseases and emergencies. The topics will address areas that comprehensive ophthalmologists may not be as up to date on. The topics will address areas that may potentially affect the daily practices of comprehensive ophthalmologists and provide them with the most current recommendations for best practices.

LEARNING OBJECTIVES

At the end of the program, participants should be able to:

- Describe insights into evidence-based treatment strategies for diabetic macular edema
- Discuss treatment and strategies for wet age-related macular degeneration
- Discuss ocular melanoma and its masquerading condition
- Discuss treatment options for uveitis in various scenarios
- Describe optimizing outcomes in cataract and refractive surgery
- Recall the importance of pupil check in ophthalmology
- Explore principles in oculoplastics
- Discuss prevision in cataract surgery

CME Credit: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Ophthalmology and The UC Davis Eye Center.

The American Academy of Ophthalmology is accredited by the ACCME to provide continuing medical education for physicians. The American Academy of Ophthalmology designates this live activity for a maximum of 12.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Target Audience: This activity has been designed to meet the educational needs of ophthalmologists, nurses, ophthalmic technicians and other allied health personnel who are engaged in the diagnosis and treatment of eye diseases.

JCAHPO Continuing Education Credit: The Joint Commission on Allied Health Personnel in Ophthalmology (JCAHPO) reviews courses for continuing education credit toward certification or recertification in ophthalmic medical assisting for COA, COT and COMT levels. Approved courses are classified as either Group A or Group B. Though JCAHPO may award continuing education credit for specified courses, JCAHPO does not sponsor these or any other review course. Visit www.jcahpo.org for more information. NOTE: JCAHPO credits cannot be claimed on the Academy's online CME system. Credit must be claimed directly with JCAHPO when you are ready to recertify.
