

IRB Information for Medical Students

Step-by-step instructions for submitting a new project to the IRB. Click [here](#).

Information and example submission specific to Chart Reviews. Click [here](#).

For any student who may be conducting a QI/QA project. Does My Project Need Review by the IRB? Click [here](#) to find out more.

If you think your project will not require IRB review, access webpage [here](#). This webpage includes two interactive questionnaires, one of which helps submitters decide if a QI/QA project requires review.

Weekly IRB office hours on Fridays from 12-1 p.m.

Join office hours on Zoom <https://ucdavis.zoom.us/j/97212360919>

On the second Friday of every month, these office hours are held in collaboration with the Clinical Trials Office from 12-2 p.m. (note the extended time). The Zoom link for the second Friday of every month is <https://ucdavis.zoom.us/j/95513002981>
